POWERED BY STRIDE K12

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Direct parental involvement is fundamental to our school's success. Parents are actively involved from initial enrollment by researching our program and choosing to enroll their child in our school. The onboarding process welcomes families, informs them of our enrollment requirements, and provides coaching and support to prepare them for success in our school. Parents work closely with their student's teachers when they have questions or concerns about their student's progress or curriculum. Our program is enhanced by our commitment to providing a top-quality education to our students while providing training and engagement opportunities to our parents and families. Parents are trained to navigate the online school platform and coached on providing effective learning support under the guidance of highly qualified and certificated teachers. Many parents will learn how to use computers for the first time, become efficient with email and the internet, and be exposed to a content-rich curriculum, including mathematics and problem-solving, classic literature, a comprehensive re-telling of the story of history, various musical genres, and great works of art. We keep parents informed and updated through the ParentSquare platform, social media, and the LC Community platform. We have many online and offline resources, live and on-demand, including Coffee Chats (English and Spanish), Monthly Parenting Workshops, Parenting with Purpose (offering SEL resources and collaboration), attendance coaching and support, and parent orientations.

Parents are an integral part of our school's student support team, helping us evaluate our program each year through meeting participation and regular feedback. Each year, when surveyed, parents state that they are more involved in their child's education than at their previous school. Parents and families engage and connect with school staff and other students and families through our Family Teacher Organization (FTO), LC Community, and family activities and events. Parents are encouraged to participate and provide feedback through surveys and parent engagement meetings, give feedback on the LCAP and Title I services, and participate in school board meetings, and other parent activities. They are also encouraged to offer suggestions and feedback regarding outings, social events, and other activities. We have parent representatives in our school stakeholder meetings.

We have partnered with Care Solace to support the well-being of our community. This is a complimentary and confidential care coordination service for mental health and recovery, provided to students, staff, and families.

2023-24 School Safety Plan

The California Virtual Academy takes staff and student health and safety seriously. Because the school is a virtual school, there is no need for a school building where classes are held daily. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records are kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations before matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to §48216 (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community. All pertinent and required health and safety documentation is collected at the time of hire or enrollment, as appropriate. Documentation is on file in the student's records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The Comprehensive School Safety Plan is reviewed annually with educational partners in the fall and then updated by staff. The school board approves it every year in December. The plan is discussed with school staff at the beginning of each semester.

- 4.2 Access and Communications: Consistent with legal requirements, any authorized CVEU representative shall have the right of reasonable access to CAVA facilities, including posting notices of activities and matters of CVEU concern on these Schools' electronic file posting system (i.e., SharePoint). - A. New unit members who are hired prior to the first day of the 2nd quarter, shall be evaluated in that school year.
- B. New unit members hired on the first day of the second quarter or thereafter shall be evaluated in the following school year so long as employment continues.
- C. Following initial evaluation, unit members will be evaluated every other year thereafter. Such meeting shall occur within five (5)

workdays from the day requested. An evaluation report is not considered complete until after the additional meeting with the evaluator has taken place. Any written response of the unit member to the evaluation shall be attached to the evaluation and included in the unit member's personnel file. The signature of the unit member shall indicate receipt of the document, not necessarily agreement with the evaluation.

8. **Employment Status Not Affected by This Article**

Neither this Article or any of its provisions is intended to alter any rights of the unit member or CAVA as stated in this Agreement, including those rights as stated in the article entitled, "Employment Status."

ARTICLE 9 – EMPLOYMENT STATUS

Discipline less than a suspension without pay (i.e. conference memoranda, letters of reprimand/warning etc.) shall not be subject to the Grievance Article or these procedures. If such documents are to be placed in the unit member's personnel file, the unit member shall have ten (10) calendar days to file a written response to be attached to and included with the document to be filed.

Suspension or dismissal shall be initiated in writing by the CAVA Head of Schools by providing Notice of Recommended Discipline ("Recommendation") and serving such Recommendation upon the unit member in person or by certified mail. A copy of the Recommendation shall also be provided to the Association President. The Recommendation shall contain a statement, in ordinary language, of the factual basis upon which the disciplinary action is based, any rule or regulation alleged to have been violated, and the proposed penalty. The unit member shall also be given a copy of any documentary materials upon which such action is based and a statement of the unit member's right to respond, verbally and in writing, within five (5) working days prior to the proposed discipline being imposed, unless by agreement of both the Head of Schools and the unit member, this deadline is extended. Following this period, the Head of Schools may provide Notice of Discipline to be served upon the unit member in person or by certified mail.

If the unit member wishes to appeal the imposition of disciplinary action to the CAVA Board of Directors ("Board"), the appeal must be filed in writing with the office of the Head of Schools within five (5) work days from the time the Notice of Discipline is served on the unit member. Thereafter, the unit member shall be entitled to appear personally before the Board to make a presentation to contest the Notice of Discipline. This appeal to the Board is not an evidentiary hearing. If the unit member chooses to be accompanied by legal counsel at such meeting, the unit member shall bear any cost therein involved. The unit member shall be provided a written decision setting forth the decision of the Board. Thereafter, if the unit member so decides he or she may file a grievance under the applicable grievance

During the pendency of any disciplinary proceedings, CAVA reserves the right to place the unit member on paid administrative leave status.

9.4 Reference to or Reliance upon the Education Code

The parties expressly agree that the Education Code provisions for certificated discipline (suspension or dismissal) and interpreting case law do not apply to CAVA.

ARTICLE 10 - LEAVES OF ABSENCE

10.1 Sick Leave

Unless required otherwise by local ordinance, the following applies regarding certificated unit member sick leave.

- 10.1.1 All full-time unit members shall accrue paid sick leave at the rate of 0.5 days per pay period. In any school year where there are fewer than twenty-two (22) pay periods, CAVA will add 0.5 days of paid sick leave to the final accrual. Upon hire and up to the end of the first quarter of the school year, a unit member may utilize up to 22.5 hours of unaccrued sick time subject to the conditions defined herein. If any applicable local ordinance requires a greater amount of time be provided at the beginning of any school or fiscal year, CAVA shall comply and accrual shall commence in a manner to ensure the unit member receives eleven (11) days per full school year. Unused sick leave carries over from year to year. Part-time unit members shall accrue sick leave on a prorated basis. Unit members will not be paid for unused sick time upon separation from employment. New unit members shall be able to transfer up to three (3) accumulated sick days from a previous California public school employment so long as such employment was within the previous twelve (12) months of the hire date at CAVA.
- 10.1.2 Leave may be used for personal injury or illness of the unit member or an immediate family member. Immediate family includes parent, spouse, domestic partner, child, grandchild, sibling, or grandparent by blood or by marriage. Sick leave may also be used for purposes relating to a unit member being a victim of domestic violence, sexual assault, or stalking.
- 10.1.3 Unit members must use sick leave in two (2) hour increments.
- 10.1.4 Unit members are expected to notify the Human Resources Department or their designated supervisor prior to the start of each workday to report an absence at the earliest time possible.
- a. For absences of three (3) consecutive work days or more, CAVA may require physician verification. If requested, unit members may be expected to present a physician's statement certifying the unit member's fitness to return to duty after illness.
 - b. In the event of reasonable suspicion of abuse of sick leave privileges, CAVA reserves the right to request verification to substantiate requests for such leave.
- 10.1.5 Upon retirement, the unit member's accrued sick leave, if any, shall be properly reported to the State Teachers Retirement System ("STRS") pursuant to all applicable regulations.
- 10.1.6 Unit members will be provided training each year so that they can monitor their available PTO in the TimeStar system. When a unit member has a sick leave balance of zero or a negative balance, any approved time off from that point forward is required to be taken in the form of unpaid full days until more sick leave has been accrued. All unpaid time off is subject to approval from the Head of School and

verification may be required. In such cases, if the unit member has a positive sick time balance at the end of the school year, they may request to use that time retroactively to be reimbursed for the unpaid day(s) off.

10.2 Personal Necessity Leave

10.2.1 All unit members may use up to seven (7) days of sick leave for personal necessity leave per year, five (5) of which shall be taken in half or full-day increments, and two (2) of which may be taken in two (2) hour increments. In the event an emergency situation makes it impossible for the unit member to work on that day, the unit member may use any available personal necessity leave, and if none is available, the unit member may request from their supervisor to utilize any accrued remaining sick days as personal necessity days to address such emergency. Unit members who are required to evacuate their personal residence as a result of a local/regional/state declaration of emergency, or who lose power/internet as a result of an emergency, shall immediately contact their supervisor to discuss how best to complete essential work duties. If the unit member is able to complete their essential work duties as agreed upon with their supervisor, they shall not be required to take personal necessity leave. If such unit members are unable to work due to evacuation, such unit member shall be entitled to use up to three (3) paid workdays which shall not be taken from any accrued sick/personal necessity leave.

10.2.2 Uses of personal necessity leave may include, but are not limited to, death or serious illness of a member of the unit member's immediate family (this is in addition to Bereavement Leave), an accident involving the unit member's person or property, or the person or property of an immediate family member, adoption of a child, the birth of child making it necessary for an unit member who is the parent of the child to be absent from his/her position during work hours, attendance at conferences, personal legal matters, religious observances, and business matters that cannot reasonably be conducted outside of the workday. Personal necessity leave may not be used for vacation.

10.2.3 Unit members must request personal necessity leave at least one (1) week in advance unless an emergency situation occurs. Prior to its approval, the unit member requesting use of personal necessity leave shall provide the reason for its use.

10.2.4 Unit members may request personal necessity leave on any work day, except during days designated for in-person professional development meetings, the department's assigned CAASPP or ELPAC or in-person testing days (not to exceed ten (10) consecutive work days), or non-student days, or to extend holidays. Such dates shall be communicated to unit members by CAVA at the beginning of each semester. If a unit member notifies CAVA of a personal hardship which prevents an overnight stay for a two (2) day professional development, the unit member and CAVA will discuss possible options including possibly attending the meeting virtually.

10.32 Unpaid Leave of Absence

10.32.1 Unit members may be granted an unpaid leave of absence to attend to personal matters in which CAVA determines that an extended period of time away from the job will be in the best interest of the unit member and CAVA.

10.23.2 Requests for an unpaid leave of absence or any extension of a leave shall be submitted in writing to the unit member's supervisor ten (10) days in advance or as soon as practicable prior to commencement of the leave period. CAVA will make the final decision concerning the request. The maximum amount of unpaid leave that CAVA will approve should be consistent with any applicable legal requirements. All unit members on approved leave are expected to report any change of status in their need for leave or their intention to return to work to their supervisor.

10.23.3 Unit members on a personal leave will be required to use all accrued sick leave while on leave before unpaid leave status commences. CAVA will continue health insurance and other benefits to unit members on leave for no longer than twelve (12) weeks from the beginning date of leave so long as the unit member continues to pay any unit member portion of the contribution. Benefits that accrue according to length of service, such as sick leave or holidays, do not accrue during periods of leave.

10.23.4 Unit members returning from a personal leave due to an illness or injury must provide a job-related release indicating their ability to perform the functions of their job. Any restrictions must be noted on the release.

10.23.5 Unit members on an authorized personal leave of absence may not perform work for any other employer.

10.23.6 It is possible that a unit member returning from an unpaid leave of absence may not be returned to the same job position that the unit member held before taking such leave. Unit members shall be afforded all protections by law regarding rights upon returning from leave. If a unit member fails to return to work after an approved leave of absence, including any extension of the leave time, the unit member will be considered to have voluntarily terminated employment with CAVA.

10.34 Pregnancy Disability, Family Medical, and California Family Rights Act Leaves

CAVA shall provide Pregnancy Disability Leave, Family and Medical Leave Act and California Family Rights Act leave to unit members consistent with applicable law.

10.45 Industrial Illness/Workers' Compensation

CAVA shall provide industrial accident and illness leave consistent with applicable law and under the provisions of the existing insurance carrier. A unit member claiming an industrial accident or illness leave may be subject to examination by a physician designated by the School's insurance carrier to assist in determining the qualification and the length of time during which the teacher will be temporarily unable to perform assigned duties, and the degree to which a disability is attributable to the injury or illness involved.

10.56 Bereavement Leave

Unit members are entitled to time off from work with full pay in the event of a death in the family, in accordance with the following guidelines:

10.56.1 Up to five (5) consecutive days in the event of death of a spouse, domestic partner, child, parent, sibling, or comparable step relation, grandchild, grandparent, mother or father-in-law, or son or daughter-in-law;

10.56.2 The Head of School may grant bereavement leave on account of the death of an individual living in the unit member's home or relationships beyond the immediate family not included in section 10.5.1.

Requests for bereavement leave should be made directly to the Human Resources Director.

10.67 Jury Duty and Witness Leave

10.76.1 Unit members, while serving jury duty, shall receive full pay during such duty, for up to five (5) working days per school year provided the unit member makes every reasonable effort to postpone jury duty service to a time when school is not in session. A unit member is also permitted to retain the allowance he or she receives from the court for such service.

10.67.2 Unit members are allowed unpaid time off if summoned to appear in court as a witness.

10.67.3 To qualify for either jury duty or witness leave, a unit member must submit to his/her supervisor a copy of the summons as soon as it is received. In addition, the unit member must also submit to the unit member's supervisor a related proof of service with the period of jury duty or witness duty when completed. No adverse employment action will be taken against unit members due to their service as either a juror or witness in state or federal courts.

10.78 Military and Military Spousal Leave of Absence

CAVA shall comply with all applicable military service leave laws, including USERRA.

10.89 Other Statutory Leaves of Absence

CAVA shall comply with applicable law with respect to any statutory leaves of absence not mentioned herein.

10.910 Catastrophic Illness or Injury Leave

Catastrophic injury or illness is defined as a life-threatening injury or illness of a unit member which totally incapacitates the unit member from work, as verified by a licensed physician, and forces the unit member to exhaust all leave time earned by that unit member, resulting in the loss of compensation for the unit member. Conditions that are short-term in nature, including, but not limited to, common illnesses such as influenza and the measles, and common injuries, are not catastrophic. Acute chronic illnesses or injuries, such as cancer or major surgery, which result in intermittent absences from work and which are long-term in nature and require long recuperation periods may be considered catastrophic. However, common conditions such as back pain, a broken limb, or influenza shall not be considered catastrophic. CAVA shall create a catastrophic leave program as follows:

10.910.1 Unit members may donate one (1) sick leave day per fiscal year for each

five (5) days of accumulated leave they have to a sick leave bank for unit members suffering a catastrophic illness; however, each unit member must retain at least ten (10) sick leave days for his/her own account before donating.

| 10.910.2 Catastrophic leave requests must be submitted in writing to CAVA. Any unit member who received eligible sick leave credits under this program shall first exhaust all paid leave he/she has accrued.

| 10.910.3 CAVA shall make a determination as to whether each of the requirements of this article have been met.

| 10.910.4 The number of sick days that can be received by a unit member from the Catastrophic Leave bank is limited to forty-five (45) days per fiscal year.

| 10.910.5 Unit members utilizing Catastrophic Leave shall have reinstatement rights in accordance with applicable law.

11.3 Required Teaching Hours

11.3.1 Teaching is defined as planned standards-based, teacher-led activities designed to ensure learning of CAVA adopted curriculum and/or California state standards. Except when legally required to meet and confer or negotiate in the event of a change to terms and conditions of employment or an impact to legislation as required under the Educational Employment Relations Act ("EERA"), CAVA retains all rights to control the instructional program including, but not limited to scheduling, manner of delivery, content, and/or platform, etc. For purposes of this

Article, "live interactive instruction" is defined as a teacher delivering instruction to a student or students while both the teacher and the student(s) are participating at the same time (synchronously) either in-person or virtually. To the extent future legislation defines and/or requires live instruction in a manner which differs from this article, the parties agree that CAVA shall immediately comply with such legal requirements and the parties may negotiate any impacts if so required under the EERA.

CAVA shall create a master schedule for unit members on an annual basis. CVEU's input shall be sought on the master schedule annually and prior to implementation. If a unit member's assignment within the master schedule requires change, CAVA will inform CVEU and the member five (5) days prior.

This scheduling requirement shall not prohibit a unit member from providing additional live interactive instruction within the unit member's professional discretion.

CAVA may deem it necessary for the unit member to provide additional live interactive instructional hours to meet the needs of students.

- Prior to any assignment in excess of the thirteen and one half (13.5) hours, the supervising administrator shall meet with the unit member to discuss the need for the additional teaching hours and to develop an implementation plan.
- The supervising administrator shall discuss with the unit member appropriate additional support or accommodations needed by such unit member in order to meet this additional instructional time (example: focused Compass support to call students, exemption from completing connection calls, exemption from meetings, adjusted deadlines, etc.). This shall be included in the written plan.

This scheduling requirement shall not prohibit a unit member from providing additional live interactive instruction within the unit member's professional discretion.

CAVA may deem it necessary for the unit member to provide additional live interactive instructional hours to meet the needs of students.

- Prior to any assignment in excess of any of the above hours, the supervising administrator shall meet with the unit member to discuss the need for the additional teaching hours and to develop an implementation plan.
- The supervising administrator shall discuss with the unit member appropriate additional support or accommodations needed by such unit member in order to meet this additional instructional time (example: focused Compass support to call students; exemption from completing connection calls, exemption from meetings, adjusted deadlines, etc.). This shall be included in the written plan.
- In no event shall more than twenty-five (25) hours of live interactive instruction be assigned per regular work week, and in no event shall any such live interactive teaching hours adjustment be required for a period of more than three (3) consecutive work weeks.
- The written plan and data gathered during this process will be submitted to the CVEU President.

Unit members shall not be required to provide a recording or to make-up the session. Unit members shall be required to provide lesson plans.

CAVA's master schedule shall afford teachers five (5) hours of protected instructional planning time each full work week (prorated for short weeks), scheduled in blocks of no less than thirty (30) minutes. During authorized instructional planning time, the administration shall not require them to complete any other task. In order to ensure that outings are spread out across the calendar, unit members shall be assigned specific months in the quarter to plan outings. A unit member may make a request to the Head of School or designee for a change in planning month at least thirty (30) days prior to the outing date if needed.

Unit members who are attending outings shall not be required to travel more than fifty (50) miles one way.

For outings scheduled on school-wide outing days, unit members may cancel sessions and shall not be required to schedule "make-ups." For education specialists, sessions may be required to be made-up per legal guidelines.

High school graduation and 8th grade promotion are not outings; however, teachers planning and attending such events shall be exempt from quarter four (4) outing requirements. Guidance Counselors are required to attend one (1) high school graduation in person per school year (within 100 miles of the unit member's home office).

CAVA will attempt in all instances of an involuntary transfer to maintain the unit members department, grade level or content assignment. Expense Reimbursement Policy

Expense Reimbursement Policy: Teaching and Support Staff

By agreement of the parties, this policy is not subject to grievance or arbitration between the parties. Consistent with the collective bargaining agreement, this policy is not intended to materially alter the terms and conditions of CAVA's June 2018 Policy, but rather to provide clarity regarding what constitutes a reimbursable expense pursuant to the Policy and applicable law.

California Virtual Academy ("CAVA") schools understand that their employees will incur expenses in carrying out their jobs as employees of CAVA schools. Therefore, the CAVA schools have created a policy providing for and detailing the reimbursement of all job-related expenditures, which includes a request procedure for non-consumable items such as equipment, desks, etc. and a reimbursement process for consumables such as paper, postage, ink, etc. Employees are required to submit all job-related expenditures incurred to ensure that CAVA has the opportunity to make proper monthly reimbursement, as described below.

As required by law, CAVA will fully reimburse its employees for all expenses that are incurred as a direct result of doing their jobs, provided that they are reasonable and necessary ("reasonable and necessary" expenses). In addition, consistent with the collective bargaining agreement, CAVA may within its sole discretion reimburse employees for additional discretionary expenditures, which are not necessary for the job but which the employee independently chooses to incur in order to enhance teaching or encourage learning ("discretionary" expenses). While all reasonable and necessary expenses will be reimbursed, in no event will CAVA reimburse discretionary expenses in excess of the amount set by the collective bargaining agreement.

Employees may submit a request for any non-consumable items which includes, but is not limited to, the following: desks, chairs, etc. Unit members shall be provided with two or more options and a description/photo for such items. These items will be sent directly to the employee for their use during their employment. If needed, reclamation labels will be sent to the employee to return these items to the school upon end of employment. The technology package, which includes a laptop, printer, drawing tablet, etc. will be provided by the School and replaced as needed by the School, and such items are not subject to the reimbursement policy, amounts, etc.

Employees shall submit an expense report as per the guidelines below for all consumable items:

- Employees must submit expense reports for all expenses to the Head of School or designee for approval.
- The report must be accompanied by itemized receipts for all charges. In the case of mileage, a map showing the mileage for the trip must be submitted.
- Expenses should be submitted for reimbursement within 30 days of occurrence.
- Any denied expense, whether necessary or discretionary, may be appealed to the Head of Schools or his/her designee.

Any falsification of expense reports will be grounds for discipline, up to and including termination from employment. Employees are expected to make a diligent effort to limit expenses to economical options, recognizing the importance of good stewardship of taxpayer dollars. Questions regarding this policy or extenuating circumstances should be directed to your supervisor or to Human Resources.

Common Reasonable and Necessary Expenditures for Consumable Items:

The following are common expenditures that are routinely reimbursed pursuant to applicable law:

Expense Reimbursement Policy

- Insurance plans, phone/equipment installment plans, overage fees and/or additional paid services associated with the phone line generally are not reimbursable expenses.
